

**CITY OF POWELL RIVER
INVITATION TO TENDERERS
SOUTH HARBOUR EXPANSION
ROCKWORK
2320-20-1976**

The City of Powell River invites tenders for construction of the South Harbour Expansion. The scope of the Project includes:

- New intertidal habitat compensation area;
- Removal of the central portion of the rubble mound breakwater between the South Harbour marina and the Barge terminal;
- Construction of a rubble mound breakwater extension at the Barge Terminal entrance;
- Closing the existing south harbour marina entrance;

Notes:

- The lowest or any Tender will not necessarily be accepted. Other terms related to the acceptance and rejection of tenders are described in the contract Instructions to Tenderers.
- Project schedule is contingent upon completion by 31 March 2011. Thus, maintaining schedule is critical to this Contract. In-water works must be completed within the DFO fisheries window that commences on 01 June 2010 and closes on 15 February 2011.
- There may be an adjustment in the scope of the work to meet available funds for this project.
- A **mandatory site meeting** will be held on 14 October 2010.

Contract documents may be obtained from BC Bid or City Website:

www.bcbid.gov.bc.ca www.powellriver.ca

OR hardcopy contract documents may be obtained during normal business hours on payment of a non-refundable amount of \$100 including HST, payable to City of Powell River, at City Hall – MacGregor Building or Moffatt & Nichol, addresses as below.

Tenders are scheduled to close at:

Time: **1400 (2:00 pm) local time**

Date: **20 October 2010** at City Hall – MacGregor Building, Address as below
