File No. 6085-20-5-1

## **North Harbour Boat Launch**

The City of Powell River has commenced construction of the North Harbour Reconfiguration project and advises that:

- Construction will be ongoing until June 2011.
- The boat launch will remain open for the duration of construction; however, there may be times of closure for safety issues.

We request your patience for the duration of the work. To check for anticipated closures, contact City of Powell River, Engineering Services Division at 604.485.8604, or the Wharfinger's Building at 604.485-5244.
